BCA Student | IT Operations & Management | IT Project Coordination

CAREER OBJECTIVE

BCA student with foundational knowledge in computing, passionate about the non-technical side of IT — including IT operations, project coordination, and digital marketing. Seeking an opportunity to contribute to IT-driven teams and grow in roles that leverage communication, organization, and strategic thinking within the tech industry.

EDUCATION

Bachelor in Computer Application (BCA) — *Ongoing*
Kathmandu Model College, Kathmandu

+ 2 Management — *Completed*
Uniglobe SS College

SEE – Secondary Education Examination — *Completed*
JESS School, Tahachal

TECHNICAL KNOWLEDGE

Has basic understanding of core computing concepts gained through BCA coursework — not pursuing a developer path, but able to communicate effectively with technical teams.

- HTML & CSS — basic web structure
- JavaScript — fundamental concepts only
- OOP Concepts — academic understanding
- MySQL — understanding of databases & queries
- GitHub — version control basics
- MS Office / Google Workspace — proficient

HOBBIES & INTERESTS

- Writing & Creative Expression
- Dancing & Performing Arts
- Reading & Self-Development
- Event Planning & Organizing
